

KAMILU OLUWATOBI LUKMAN

- PRODUCT DESIGNER
- DIGITAL PRODUCT DEVELOPER

ABOUT ME:

I'm a passionate graphic designer with high level of creativity in designing. My goal is to broaden my knowledge and abilities by working in an organization that values and rewards emerging talent. I am a Front-end developer with extensive expertise in creating outstanding website interface.

EXPERIENCE:

LASUSTECH Alive Awards – Creative Design & Brand Identity

Graphic Designer - 2026

- Designed the official **award brand identity** and visual assets for the event.
- Created the **LASUSTECH Alive Awards logo** that established a consistent and recognizable event identity.
- Designed engaging **award nomination and voting campaign flyers** for social media and digital promotions.
- Produced high-converting **vote campaign creatives** that increased audience engagement and participation.
- Designed promotional materials for the **Grand Finale**, including countdown posts, announcement graphics, and event promotional banners.
- Created **award category announcement designs**, nominee reveal graphics, winner announcement visuals, and appreciation posts.
- Designed digital assets optimized for Instagram, Facebook, WhatsApp, and other online platforms.
- Collaborated with the event organizers to translate campaign objectives into compelling visual communications while meeting tight project deadlines.

GRAPHIC DESIGNER

Ola Computer Center - 2015 – 2020

- Spearheaded daily design in a small but prolific firm.
- Collaborated on a project to create layouts and images for writing online content which gives 75% good feedback from clients.
- Worked cross-functionally to deliver to 95% client satisfaction and also completed projects before deadlines.
- Facilitated team meetings for a project to increase revenue for ecommerce clients by 20%.
- Completed graphic project for multiple brands (Meta Tech Solar Company, Clothing Brand and lot more) which boost the company transactions by 30%.
- Successfully delivered the design and printing of Souvenir, ID card, T-shirt for the department of Computer Engineering (Laspotech) with 100% satisfaction and recommendation from the client.
